Dr. Milton Silveira
Office of the Administrator
National Aeronautics and Space Administration
Washington, D. C. 20546

Dear Milt,

I am happy to learn from a memorandum which Mr. Beggs sent to Mr. Casey that he and other senior officials at NASA would like to receive a regular monthly review of Soviet activities in the aeronautics and space fields. Naturally, we are pleased to provide such a review and present any briefings you would want. I have enclosed a list of briefing topics for Mr. Beggs' and your consideration. We will begin the monthly review at your convenience and if you indicate on the list those briefings you would like to hear, I will make the arrangements to have them presented.

Thank you again for your interest and I look forward to our close association.

Yours sincerely,
